

Kindergarten Frequently Asked Questions

How old does my child need to be in order to register for Kindergarten?

- To be eligible to attend kindergarten in the 2018-19 school year, your child must turn five years old on or before December 31, 2018.

When is the kindergarten program available?

- The kindergarten program follows the regular school calendar but may commence later in September and finish earlier in June. For the 2018-19 school year kindergarten options, please see the following chart or contact the Clearview [school in your area](#).

What will my child learn?

- Kindergarten lays the foundation for future success - both in the classroom and in life. At Clearview, we work to create a learning experience that recognizes each child's individual strengths and encourages their natural inquisitiveness, while preparing them for academic success.
- We take pride in helping students learn and explore, while they build relationships that are based on respect, honesty and integrity. Our students not only learn the skills they need to excel academically, but also develop the qualities that will allow them to become confident, compassionate citizens of the future.
- More information about [kindergarten programming](#) is available on Alberta Education's website.

Is it advantageous for my child to attend a kindergarten program?

- A child's experience and learning in kindergarten enhances their social and intellectual skills. Children are better able to make the transition to the Grade 1 learning environment after attending kindergarten.

How do I register?

- Kindergarten registration is now available for the 2018-19 school year. *Please phone the [school in your area](#) to find out if an appointment is necessary or if there is a registration day planned.*
