

## Allergy Awareness

(SCHOOL)

(DATE)

Dear Parent/Guardian:

The purpose of this letter is to notify you that there are students in our class who have a potentially life threatening allergy (anaphylaxis) to \_\_\_\_\_.

All of the students will have a special presentation to learn about life-threatening allergies and ways to help their allergic friends stay safe.

In order to reduce the risk of accidental exposure, I: (modify, add, or delete as appropriate)

- Ask respectfully that families cooperate by enjoying peanut/tree nut-containing products at home and not sending these products to school.
- Will have children who bring peanut eat at a designated table in the lunchroom, which will be properly cleaned after eating.
- Will have children with a peanut/tree nut allergy eat at a special table in the lunchroom.
- Ask parents to advise me in advance of sending food to celebrate a child's birthday or other special occasion.

If you have any questions, please feel free to contact me. Your cooperation and understanding of this matter is greatly appreciated.

Yours truly,

Teacher
