

Policy 1 - Division Foundation Statements

Our Vision

Resilient, compassionate, and active learners engaged in their communities.

Our Mission

Learners will be inspired to develop growth mindsets and achieve excellence through collaborative and innovative learning experiences.

Our Motto

We All Belong - We All Succeed

Our Guiding Principles

- We believe Clearview Public Schools is the best education option for students in our communities.
- We believe positive relationships and meaningful connections with students and our communities are foundational to our success.
- We value all students and their potential to have a positive impact on our future.
- We make decisions in the best interests of all students.
- We believe in and support our quality staff and their passion for learning and professional growth.
- We embrace, promote and work to enhance our rural experience.
- We ensure the budget and financial framework reflects a long-term, stable learning environment focused on the strategic goals for Clearview Public Schools.

Our Logo

The logo is a visual representation of our core beliefs and values. At its centre, the logo depicts a student with arms raised in celebration, reaching for the stars. The three stars which increase in size, represent our students at different ages. The stars also embody the three primary colours from which all hues are created. These images suggest that Division students are diverse and that all are welcome. On another level, the three stars represent our key learning partners: our staff, parents, and communities who inspire and support our students on their journey to success. The logo contains a stylized “C” for Clearview, with the “shoulders” of the logo profiling rolling hills, a feature in our communities.
