

Kindergarten Frequently Asked Questions

How old does my child need to be for Kindergarten?

To enroll for the 2025-26 school year, your child must turn five years old on or before December 31, 2025.

When is the Kindergarten program available?

The program follows the regular school calendar but may start later in September and end earlier in June.

What will my child learn?

Kindergarten lays the foundation for future success. At Clearview, we nurture each child's strengths, curiosity, and academic skills. Students develop respect, honesty, and integrity while building strong relationships and essential life skills.

Is Kindergarten beneficial for my child?

Yes! Kindergarten enhances social, emotional, and intellectual skills, making the transition to Grade 1 smoother.

How do I register?

Registration for the 2025-26 school year is now open! Contact your local Clearview school to check if an appointment or a registration day is required.
